REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Aynor Middle School has completed another successful school year. We continued to make progress in challenging and engaging students for instruction. Teachers participated in numerous hours of professional development on the state and local levels. We had two additional teachers earn National Board Certification this year. Students were engaged in numerous service projects in the community, such as: completing the Wounded Warrior Project for soldiers; performing musical programs at the elementary schools; volunteer work for Hoops for Heart; and raising money for Make-a-Wish Foundation. Our PTO continued to support our instruction by providing funds for teacher supplies, teacher appreciation week, and incentives and awards to encourage our students in their academic work.

Our staff continued to work hard to improve instruction by implementing high yield strategies and programs. DesCartes Learning Continuum was used daily by teachers to drive instruction. Literacy First strategies were used across the curriculum. Monitoring Independent Reading Practice (MIRP) was scheduled for twenty-five minutes a day. Response to Instruction framework for ELA was implemented on each grade level. Compass Learning was used in ELA and math as a high-yield strategy. Read 180 programs for grades 6-8 continued to enhance learning for our students. Benchmark testing in science and social studies served as a major strategy to improve instruction. The after-school tutorial program served students in social studies and science as well as ELA and math. Student failures at the end of the year were reduced by more than two-thirds from previous years. The use of parent/student email helped to reduce student referrals, suspensions, and absences. Field trip incentives played a major role in reducing student referrals as well as improving student academic performance. The data team met monthly to analyze all of our student data to make recommendations for improvement.

Aynor Middle students continued to receive recognition and many different awards. Among these were: seven students recognized for State Superintendent's Writing Awards Program; three accepted in the SC Gifted and Talented Program for the Arts at CCU; one SC Governor's School participant for the Arts & Humanities; 19 Junior Scholars, three accepted to Scholars Academy and 11 Explore scholars; eight All-County Band; 20 All-Region Band; 10 SC Ensemble; eight All-County orchestra; 29 students made All-County Chorus; 75 participated in the SC Regional Choral Festival; 10 CCU Music scholars; one HTC Reel Kids recipient; and an excellent rating at SC Middle School Chorus Music Festival, Columbia, SC.

Although we feel the quality of instruction in our school and district is high, we will always strive for improvement. We here at AMS will never stop our pursuit until excellence is achieved for all students.
